

Moxie Living Counseling & Coaching

Moxie ~ Overcoming difficulties with courage & spirit!

www.themoxielifecenter.com

Dear Friend,

As a non-profit organization providing mental health services, Moxie Living Counseling & Coaching continues to strive to expand its possibilities and offerings to the community through service excellence. We hope that you will be able to take part in our efforts to provide quality services through one of our newest projects, ***Get Moxie! The Lifestyle Talk "TV" Show***; now being broadcasted on Your LAPA 28 TV through Comcast and webstream. This opportunity affords us an amazing platform to offer a medley of empowering and solution-focused methodologies to gain insight to the causes and triggers of emotional & mental health; while establishing new & healthy lifestyles to live your best life NOW!

Since our organization relies on the generosity of individuals like you, we wish for you to experience firsthand the pride we take by supporting our cause and assuring the success of effective mental health services. Credit recognition will be given to all sponsors on our TV broadcast in appreciation of your contribution

We would like to offer you an opportunity to donate to the cause of mental health awareness & empowerment through Get Moxie, The Lifestyle Talk TV Show. Please return completed donation form enclosed.

Thank you in advance for your support!

Sincerely,

Jennelle Birthwright, MSW LCSW
CEO of Moxie Living Counseling & Coaching
